

## Export End Use Certification

**The sale and shipment of our standard products, related technical data and software to customers outside of the United States is authorized under a general export license by the US Department of Commerce.** Under provisions of this license we are prohibited from supplying products, related technical data and software for use in Cuba, Iran, Rwanda, Sudan and other countries/entities that may be listed by the Bureau of Industry and Security (BIS) or to end users, regardless of geographic location, who intend to use the product, related technical data or software in any activity related to the design, development, production, stockpiling or use of chemical, biological or nuclear weapons or missiles, without the prior approval of the United States Government.

**BEFORE YOUR ORDER CAN BE ACCEPTED** you must provide the information requested below and have a principal of your company endorse the statement stipulating that your use, sale or reexport of these products will not violate the prohibitions described above.

**RETURN COMPLETED CERTIFICATES** to Hastings Instruments by fax (757-723-3925) or e-mail ([aburrell@teledyne.com](mailto:aburrell@teledyne.com)). Thank you for contributing to our Export Compliance Program.
